Book Nook

Our library shelves are bursting with books eager to be read. Now that we are no longer locked down, Come explore our library. Borrow what you want and bring it back when you are done. We have no check out system, Rather an honor system. The fiction is on the side walls from A to Z. Then we have three bookcases of large print. This is a legacy from our librarian Linda Stapley, Who lost her battle with covid in January. The inside wall is nonfiction, sorted by subject. We have scads of biographies, classics, and military. There are smaller sections of medical, Religion, and other stuff. Under the clock are Nevada and the west and fine arts. Most of our collection are old/new books. New to us. Old because they are donations from residents. Just the kind you are likely to read. The library is open 24/7 and ready for you to enjoy.
