New Year's Eve

Christmas is a very special time of the year yet for some seniors it is very lonely. Please Bring a simple gift when you come to the Family Belvedere Christmas Party. These gifts will be distributed through out our community to those who have no family to share the holidays with. If you have any questions, please contact Donnie Clark. Special events will be posted through the month. Our Blue Belles will supply a turkey and ham to our local shelter for the holidays. Bless each and every one during the new year. Donnie
Enjoy all of your favorite Christmas movies through out this month.
