A GRACE MGMT COMMUNITY

Daily Activity Cart

Each afternoon we bring a special treat to the residents in their rooms. It's a great way to connect each day with our residents, remind them of the day, and provide fellowship and communication. It's also a chance for residents to simply hear a knock on their door greeted by a happy, smiling associate!

A copy of the weekly activity cart is attached.

Special Delivery

We deliver the following to resident's rooms:

- Breakfast, Lunch, and Dinner— *with a smile!*
- U.S. Mail delivery and pick up.
- Daily notices (if there are any updates).
- Housekeeping necessities.
- Art Therapy materials.
- Word puzzles (i.e. crosswords, word searches, cryptograms, etc.)
- In-house library selections.

Virtual Connections

We have iPads that can utilize FaceTime, Zoom Meeting, and Skype. We adhere to stringent protocol on use of all equipment. We would love to schedule a call between loved ones and Northgate Park residents.

Phone Pals

Daily friendly phone calls from your neighbors just to check in and say "Hello!" can brighten a day! If you are interested in reaching out to fellow residents please let our staff know. It will be our pleasure to deliver your phone number to a resident so you can connect.
