Chitter Chatter from the E.D.

September is my favorite month. The season starts to change, the weather cools down, and the pleasures of fall start to accumulate. I love opening the windows in the evenings, and letting the gentle breeze drift in. We make hot cocoa, start a small fire in the backyard and roast marshmallows, and try to outdo each other with the most decadent smore. September is the calm before the hustle and bustle of the holidays, and it's a time to reflect on the year that passed so quickly. This has been quite the interesting year, but I am grateful that I could spend it with you all. Here's to September!

Sincerely,
Janessa Becker
Executive Director

Friendly Reminder

Please remember that when you are out and about in the community it is important to wear your mask. Even if you are attending an activity, checking your mail or outside enjoying the weather. This is one sure way of protecting yourselves as well as others. Thank you so much for your cooperation during these months of uncertain times.
