Let's Talk

A message from our

Executive Director

Dearest Residents,

Although the holidays are over in theory, they're not over here at Shorehaven as we continue to celebrate the good health of our residents. As we get into February we will be doing our best to keep you safe, but try to have some fun as well. Keep an eye out for the calendar to see what is going on. I know this pandemic has touched us all somehow, but we will get through this together. I look forward to seeing all of you at resident council as soon as it is safe. Happy Valentine's Day to each and everyone of you.

Warmest Regards,

Brian Radyko

Welcome to the Family

Our story is yours. We grow older and wiser but are sure to never lose the spark that started it all. Grace Management Continues to evolve, and we're ever more dedicated to nurturing our company and our team to be healthy contributors to communities across the U.S. Delivering exceptional living experiences, we can focus on the big issues that concern the daily lives of our residents-from healthcare and finances to overall quality of life-while never losing sight of the details that matter most: the connections we make along the way.
