Let's Talk

A message from our **Executive Director**

Dear Residents,

I am pleased to share Shorehaven now features an additional layer of protection that goes beyond surface sanitation. We have recently installed Needlepoint Bipolar Ionization NPBI™ air purification technology to better protect all of our residents and associates from COVID-19, the flu, and more NPBI™ is certified ozone-free, and safely inactivates harmful pathogens and particles before they can spread.

The installation of NPBI™ air purification technology is part of our Clean Air Commitment to all those we have the honor to serve. Please contact me if you would like more information about this industry-leading precautionary measure.

Warmest Regards,

Brian Radyko

Welcome to the Family

Our story is yours. We grow older and wiser but are sure to never lose the spark that started it all. Grace Management Continues to evolve, and we're ever more dedicated to nurturing our company and our team to be healthy contributors to communities across the U.S. Delivering exceptional living experiences, we can focus on the big issues that concern the daily lives of our residents—from healthcare and finances to overall quality of life—while never losing sight of the details that matter most: the connections we make along the way.

Heather Says,

Got a Little, Save a Lot

Spring is in full swing! I am so happy that you are here to blossom and grow with us at Shorehaven. Be sure to share with your friends how much fun we have; I would love to show them around the community. You and your friend will each receive a free month rent.

Stay Well,

Heather
