June 2021

Happy June & Hello Sunshine!

The only thing that's making me happier than the change in weather is being able to see all of your faces again! June is a special month as we get to celebrate our father's and honor them for the role they play in our lives. We also are able to welcome back indoor entertainment and loosen restrictions for social distancing for those that are vaccinated. However, when your outdoors, please remember to put on your sunscreen on and stay hydrated. Cheers to summer!
