## Welcome to the Family

Our story is yours. We grow older and wiser but are sure to never lose the spark that started it all. Grace Management Continues to evolve, and we're ever more dedicated to nurturing our company and our team to be healthy contributors to communities across the U.S. Delivering exceptional living experiences, we can focus on the big issues that concern the daily lives of our residents—from healthcare and finances to overall quality of life—while never losing sight of the details that matter most: the connections we make along the way.

# Resident Spotlight

Our Resident Spotlight this month is on Candy Simeone. Candy is originally from Connecticut where she enjoyed a successful career as a Real Estate Broker and was the first female Broker in her hometown! Candy is an active member in our community and also enjoys volunteering her time at The Ronald McDonald House.

Everyone deserves to be pampered, especially our residents. The Summit offers salon and spa services. Haircuts and color, manicures, pedicures and facials are the services available to our residents, all without leaving the building!

## *Save the Date*

July 4th-Fourth of July Lunch

July 7th-Town Hall Meeting

July 8th-Blood Pressure Clinic

July 22-Health Talk with Legacy

July 28th-Food Forum

As a special Father's Day tribute to their Dad Al, the Ionni kids arranged for a local Color Guard to recognize his service in the Armed Forces. The Color Guard presented Al with a Certificate of Recognition for his service in the United States Army during the Korean War. Al was also presented with a custom made quilt in red, white and blue. No two quilts are alike, one of a kind, just like Al! We at The Summit thank all of our Veteran's for their service in the Armed Forces!

## Fitness Fun at The Summit

Our Residents realize the benefits, both physically and mentally, when it comes to our Fitness Classes. Our classes are chair-based with some standing in select classes. We offer eight different classes ranging from Aquasize, Yoga, Balance & Coordination, Tai Chi and more. We even have Line Dancing instruction. Exercise has proven to be good for circulation, heart health, mental health, muscle tone and flexibility. Combined with a good diet it is the recipe for a long, fulfilling life. See you in class!
