Welcome to the Family

Our story is yours. We grow older and wiser but are sure to never lose the spark that started it all. Grace Management Continues to evolve, and we're ever more dedicated to nurturing our company and our team to be healthy contributors to communities across the U.S. Delivering exceptional living experiences, we can focus on the big issues that concern the daily lives of our residents—from healthcare and finances to overall quality of life—while never losing sight of the details that matter most: the connections we make along the way.

Looking Ahead to Moments Captured in Time with Your Life Enrichment Department

Welcome to 2022!!

"Thomas Edison discovered more than 1,000 ways, to not invent a bulb of light, but eventually, through perspiration, he found the solution to get it just right. If he had stopped at nine hundred ninety-nine, you'd be reading in the dark."~ author unknown

These past two years I feel that we have experienced and felt the challenges as did Thomas Edison. But, I can say with no hesitation or regret that our Shorehaven family came together and met these challenges and changes with determination, dedication and love for each other. We didn't give up at 999. We are looking forward to 2022 and sharing an amazing year together. So, keep following your activity calendar for the opportunity to engage with others. A few programs to keep your sight on is: Saturday Jan 1st Rose Bowl & Appetizers, Saturday Jan. 8th & 22nd Watercolors w/Barb, Monday Jan. 10th Bringing in the New Year Ladies Tea, Tuesday Jan. 11th Celebrating Toni Pantano's 100th Birthday, Wednesday Jan. 12th Resident Council meeting, Monday Jan. 17th Remembering Martin Luther King, Tuesday Jan 18th Resident Survey Kick-Off and Wednesday Jan 26th Ambassador & New Resident Social. These are just a few programs coming your way.

Christmas Pickle: The Christmas pickle is a lesser-known Christmas tradition for some Americans. A Christmas tree decoration in the shape of a pickle is hidden on a Christmas tree, with the finder receiving either a reward or good fortune for the next year. There are a number of different origin stories attributed to the tradition, including an origination in Germany. This theory has since been discounted, and it is now thought to be a German-American tradition created in the late 19th century.
