The month of May transitions us into the thriving days of summer. The vibrant green birthstone emerald reflects the vitality of this time of year. The elegant emerald has stood the test of time as one of the oldest known gemstones on earth. The birthstone emerald symbolizes: *Renewal and growth *Unity, faithfulness, and compassion *Insight into the future</p>	<p>May's Quote "Believe you can and you're halfway there." - Theodore Roosevelt</p>	<p>Flowers of May According to the list of birth flowers by month, lily of the valley and hawthorn blossoms are the two birth flowers for May. Each flower has its own special meaning and significance and represents different characteristics of those who share this birth month.</p>
