Welcome to the Family

Our story is yours. We grow older and wiser but are sure to never lose the spark that started it all. Grace Management Continues to evolve, and we're ever more dedicated to nurturing our company and our team to be healthy contributors to communities across the U.S. Delivering exceptional living experiences, we can focus on the big issues that concern the daily lives of our residents—from healthcare and finances to overall quality of life—while never losing sight of the details that matter most: the connections we make along the way.

guests. We have an energetic staff that is here to serve you. Department Head, Robert is joined by Chef Githo and Gulaine our Dining Room Supervisor. The staff comes from a wide variety of experience, backgrounds and nationalities which adds to the diversity of our dining room. Every month Robert holds a "Food Forum" to discuss with our residents the latest food trends and also address any questions from residents in attendance. Thank you to our Dining Services for all you do!

Our Wall of Valor continues to grow! We originally started our wall at 22 veterans and it has grown to 24 with the addition of 2 new residents in our community. We hope our veterans feel a sense of pride as they pass the wall. We thank you for your service to our great country. USA! USA!

Road trip! Recently we took The Summit bus to legendary Loveboat Ice Cream & Farmer Joes in Cape Coral. Our trips are a unique way to get to know your neighbors in our community and it can be a pretty tasty way to boot!
