Welcome August,

As we soak in our last full month of summer, I hope you get outside and enjoy the sunshine. Many of your grandchildren and great-grandchildren are getting ready for back to school so take some time to invite them to go swimming with you at the community before they get too busy with sports and school festivities. Remember, this is your home and we want you to feel comfortable hosting your family for dinner and a splash in the pool.

Enjoy!

Sheri Sepanak

Executive Director
