Grace Management, Inc. Senior Vice President of Sales and Marketing Kymm Clark Selected to Serve on ASHA's New Sales and Marketing Committee

Maple Grove, MN – June 3, 2022 — Grace Management, Inc. Senior Vice President of Sales and Marketing Kymm Clark will be serving on the American Seniors Housing Association's (ASHA) new Sales and Marketing Committee.

The committee is part of ASHA's most recent Strategic Plan initiatives with the goal to help increase membership engagement and uphold ASHA's mission and objectives in serving the senior housing industry and its leaders.

The new Sales and Marketing Committee is comprised of senior housing company leaders in sales and marketing. It was formed at the end of 2021 and held its first meeting in December 2021. Committee members were identified by ASHA and Christy Van Der Westhuizen, chair of the committee.

The purpose of the committee as is stated by [ASHA](#):

As we continue to see senior living occupancy as a large focus for many of our organizations, ASHA understands it is crucial that we implement a sales and marketing committee to gather feedback, areas of opportunity, obtain more input and involvement from leaders in sales and marketing. This would also include strategic conversations and best-practice sharing with relevant industry peers, along with a sounding board or industry focus group for tactical decisions you will make for your organization.

Clark is honored to be selected to be on the committee and represent Grace Management, Inc. within this select group in ASHA.

"I appreciate this incredible opportunity to be part of a group of colleagues and influential individuals in the senior living industry," said Kymm Clark, Senior Vice President of Sales and Marketing, Grace Management, Inc. "We know that senior living has amazing people who are serving an amazing population. The industry continues to fluctuate and flourish, and we want to keep our focus on being strategic and innovative in all we do to best serve our residents."
