FOR IMMEDIATE RELEASE

Grace Management, Inc. Communities Celebrate National Assisted Living Week®

Maple Grove, MN – September 16, 2022 — Grace Management, Inc. communities celebrated National Assisted Living Week® from September 11th through 17th this year. Our communities joined thousands of assisted living communities across the country in celebrating National Assisted Living Week this year, honoring this year’s theme “Joyful Moments.”

“This year’s National Assisted Living Week allows our communities to celebrate and create new, special memories together,” Says Ashlea Smalley, National Director of Memory Care and Life Enrichment at Grace Management, Inc. “Joyful Moments’ reflects the strong family connection between residents and associates while providing an opportunity to celebrate the individuals who live and work in our assisted living communities.”

Each day of National Assisted Living Week was made to be special for residents and associates alike. Our communities began by celebrating Grandparents’ Day and continued to celebrate different “Joyful Moments” every day. From milestone memories to enjoying nature, our communities took time to celebrate each “Joyful Moment” this week. Two of the favorite activities of the week included Milestone Memories, where residents took time to reminisce and celebrate their favorite milestone memory, and different craft activities.

ABOUT NALW

National Assisted Living Week was created by the National Center for Assisted Living (NCAL) in 1995 to recognize the role of assisted living in caring for America’s seniors and individuals with disabilities. The annual observance inspires assisted living communities around the country to offer a variety of events and activities to celebrate the individuals they serve, as well as to help educate members of the public about this distinct aspect of long term care. For more information on National Assisted Living Week, visit www.ahcancal.org/NALW.
