Grace Management, Inc. Announces First Recipient of Living *Gracefully* Award

Maple Grove, MN – October 25, 2022 — Parkrose Estates Executive Director, Karen O’Hara is the first recipient of Grace Management, Inc.’s Living *Gracefully* award. O’Hara led the Parkrose Estates community after the community experienced a water line rupture earlier this year, displacing more than 90 residents. Residents returned home to Parkrose Estates on September 26th following a state-of-the-art renovation completed in partnership with local contractors.

“Karen truly exemplified the Grace Culture of Caring and Leadership throughout the evacuation and fully scale renovation of Parkrose Estates.” says Patty Luessenhop, Senior Vice President of Operations at Grace Management, Inc. “Karen’s commitment to the Parkrose Estates community is unmatched. Her and her entire team supported the residents of Parkrose Estates as they made their temporary homes offsite, and happily welcomed everyone back home to Parkrose Estates as quickly as possible. Congratulations, Karen - this award is well deserved!”

The purpose of the Grace Management, Inc. Living *Gracefully* Award is to recognize GMI associates or constituents who exemplify the Grace Culture of Caring and Leadership within their role, responsibilities, or involvement with Grace Management Inc. The Living *Gracefully* Award may be awarded at any time throughout the year to honor and recognize an associate’s or constituent’s accomplishments, leadership, or commitment to the community or overall organization.
