## *Welcome to the Family*

Our story is yours. We grow older and wiser but are sure to never lose the spark that started it all. Grace Management Continues to evolve, and we're ever more dedicated to nurturing our company and our team to be healthy contributors to communities across the U.S. Delivering exceptional living experiences, we can focus on the big issues that concern the daily lives of our residents—from healthcare and finances to overall quality of life—while never losing sight of the details that matter most: the connections we make along the way.

### **New Writing Class With Pat Kramer**

#### **"Importance of Writing Your Memoirs"**

Everyone has a story to tell, but particularly, those who have experienced hardship and struggles along the way.

Their experiences are valuable and should be preserved for future generations. For that reason, I have created my Lifelong Stories Memoir Writing service. By having someone to tell their stories to, older family members are ensured that their values and life experiences will not be forgotten.

## **JONI LAMBERT as Barbra Steisand**

A singer and stage performer since childhood, Joni Lambert's first Barbra Streisand imitation performance was in grammar school. She carried her love of music and performing throughout her life, appearing in countless shows, including the off-Broadway musical "The Legend of Sleepy Hollow". Her years of formal training serve her in her capacity as a Streisand tribute performer as she entertains audiences with the look, persona and sound of Barbara.
