## Jimmie Wilbourne

Born and raised in Skipwith, Virginia. Jimmie grew up on a farm with his five brothers and five sisters. Unfortunately, his father died at a young age leaving his mother to raise all eleven children on her own. Religion was very important in Jimmie's family growing up. It was required to attend church every Sunday even if you were sick.

After high school, Jimmie worked at odd jobs. He was later hired as a maintenance technician at Russel Stover Candy Company. Once Jimmie was able to retire, he and his wife Paula traveled. One of his favorite memories is visiting California on a trike motorcycle. Along the way they visited Graceland and other historical places.

Jimmie has 6 children and some grandchildren. He tells me that its too many to count with a smile. Jimmie loves conversing with his neighbors, fixing things for people and watching NASCAR on TV. Be sure to say hello to Jimmie!
