

Happy March!

Sorry February slipped and I didn't get a newsletter out! Things have been crazy busy around our community!

We have added now pitch on Mondays for anyone that wants to join at 2:00pm. Please call before noon to let us know if you can come and what level of player you are so we can get tables ready! We had a great turn out the first Monday!

We are still doing Coffee with Friends every Wednesday as well at 9:30 am!

We are getting ready for spring around the building, our plan is to have a raised garden bed for the residents to grow some fresh vegetables. If anyone has any extra garden tools that they would like to donate that would be awesome!

I have attached our March activity schedule, please remember things can change and be adjusted. We give out weekly reminders of all events for everyone to participate in!

Next week is National Science Day on February 28<sup>th</sup>, Kim from Mainstreet Flower Shop will be coming to do an experiment with the residents.

We have added a few new staff this year to our team! Our team consists of:

- Heather Williams, Executive Director [hwilliams@vintageparkassistedliving.com](mailto:hwilliams@vintageparkassistedliving.com)
- Marriah Oswalt, Wellness Director [moswalt@vintageparkassistedliving.com](mailto:moswalt@vintageparkassistedliving.com)
