May is Older Americans Month and this year's theme is Aging Unbound, which offers an opportunity to explore diverse aging experiences and discuss how communities can combat ageist stereotypes. This month we are encouraged to challenge the narrative on aging by celebrating opportunities to change and learn new things, embracing the deeper confidence and understanding of the world that only comes with maturity, and to stay engaged in our communities. Do this by participating in a Graceful Giving opportunity or attending a New Neighbor Social and forming new relationships and deeper connections with peers, neighbors, and family. Check in with your Life Enrichment Director to see how you can stay connected, give back to your community, and practice health habits to make the most of your aging experience, and have a little fun too!
