The Graceful Connection

May 2023

Latest News from the Residence at Bethel Park Independent Living Newsletter

Why is Esther smiling? Because she just bowled 5 strikes in a row! All the fun of bowling without the weight of a ball or a slippery alley, Wii allows bowlers of all skill levels to have fun whether seated or standing. Bowlers submit their scores and the Activity Department posts them daily to allow for a little friendly competition. Wii also attracts spectators when they hear the bowlers whooping it up. To keep the bowling league experience as authentic as possible, bowlers are treated to a catered banquet in September.

Warmer weather is almost here....

Residents embrace spring and summer with Social Hour entertainment in the gazebo, while enjoying a cocktail and relaxing on the back porch, playing cornhole on the back patio, front porch visits with friends and family -how many deer will you see on the hillside this evening?- and strolls around the property.

Before you know it, we will be planting veggies in our raised beds.

Hello Summer!!!
