EVENTS

April showered us with Memories! We celebrated National Pet Day at Pet World, and now we wish that everyday was Pet Day. April was Gardening month, so to help us celebrate Brandi Potter's Cottage School help us plant our beautiful garden and patio flowers. We quenched our thirst with two great "happy hours" with one on National Beer day, and the other Tax day. Our amazing Dining Services Associates created some tasty dessert to share with the VPBC family. We had a lovely Easter Dinner. Our key event was the "Senior" Prom-Through the Years. VPBC is truly Grateful to Baker Serves for creating a night to remember!

NEWS

May is National Photo Month
VPBC will be honoring National Photo month with 2 events. The first event will be hosted at Vintage Park with photographer, Steve Pierce . He put out his first book of pictures in April titled "Running Douglas County". He is a local photographer, and will be here on May 16th to discuss his craft with us. Later in the week we will go see his Photo Show at the Lumber Yard Arts Center on May 19th.

-VPBC Program Highlight-

We have a great partnership with the Baldwin Star/PAT Program. VPBC residents meet once a month through the school year to have a play group with the early learners and their parents of Baldwin City community. This is a great intergenerational opportunity to enrich your life and the lives of the youngest members of Baldwin City.
